APEC 2007 TRAFFIC CHANGES

APEC MEETINGS IN SYDNEY WILL START ON

Sunday 2nd September and finish on Sunday 9th September.

Traffic changes will commence on 1st September as some temporary fence structures are installed in the CBD. All temporary structures will be removed on Monday 10th September. Some road closures will occur during construction and removal.

Special Event Clearways (SEC)

There will be a staged introduction of special event clearways between 1st September and 10th September. Special event clearways will become extensive in the CBD, and will also extend to many surrounding suburbs. Some clearways will be in place 24 hours per day, others will apply between certain hours.

Check the local signage for details.

Taxis are allowed to stop in a special event clearway to set down or pick up passengers only. Fines for stopping illegally are in excess of \$185.

Full up-to-date details of the timing and location of the SECs is available from www.rta.nsw.gov.au.

TAXI RANKS

The normal taxi ranks in the northern area of the CBD (including George St, Alfred St, Phillip St and Bent Street) will become part of the special event clearways which will be phased in from Sunday 2nd September onwards.

The Harbourside Taxi Rank will be closed for varying periods of time during the APEC conference.

Temporary Replacement Taxi Ranks will be established as follows:

Tuesday 4th September 9pm to 7:00am Wednesday 5th September
